Puget Sound Educational Service District
 Puget Sound Center for Personalized Learning
 Office of Superintendent of Public Instruction

Access materials: <http://bit.ly/1DK8crP>

8:30 - 9:00	Check in, networking, and morning refreshments.		
	Welcome		
9:00 - 9:10	<i>Rafael Gallardo, Director Personalized Learning, PSESD</i> <i>John P. Welch, Superintendent, PSESD</i>		
	Open Educational Resources Overview		
9:10 - 10:00	Open educational resources (OER) are freely available materials that can be downloaded, edited and shared to better serve all students. In this overview to OER, we'll discuss the current state of OER in K-12 and explore the benefits and challenges for districts in Washington. <i>Barbara Soots, Instructional Materials and OER Program Manager, OSPI</i>		
	Panel: Voices from the Field – Case studies of OER Implementation		
10:00 - 11:00	<i>David Hammond, Assistant Superintendent for Elementary Education, Bethel School District</i> <i>Paul Harvey, Executive Director of Student Achievement, Steilacoom School District</i> <i>Peter Szalai, Director of Teaching and Learning, Oak Harbor Public Schools</i>		
	Cedar	Duwamish	Nisqually
11:10 – 12:00	<p style="text-align: center;">Where Do I Start: Guide to Assessing Needs, Locating OER and Reviewing Quality</p> <p style="text-align: center;"><i>Presenter: Barbara Soots, OSPI</i></p> <p>Understand the different entry points for using OER. Learn how to effectively search for OER and how to evaluate their quality and alignment to state learning standards. Explore the Washington Hub on OER Commons.</p>	<p style="text-align: center;">OER for Science</p> <p style="text-align: center;"><i>Presenter: Ellen Ebert, OSPI</i></p> <p>What's happening in Science around OERs? Join this discussion regarding regional, state, and national resources. How can we select the best materials for our students and teachers that are aligned to the Next Generation Science Standards?</p>	<p style="text-align: center;">OER for Social Studies</p> <p style="text-align: center;"><i>Presenters: Carol Coe, OSPI</i></p> <p>Join us for a discussion of the use of OER in Social Studies classes. We'll explore current OER sources from developers and WA districts and discuss how to evaluate lessons and units in Social Studies.</p>

12:00 – 12:45

Lunch and collaborative work time

	Cedar	Duwamish	Nisqually
12:50 – 1:40	<p>OER Office Hours/Open Planning Time <i>Facilitator:</i> Barbara Soots</p> <p>Questions about OER?</p> <p>Whether you are just exploring open options or are well down the path of adopting open resources, come bring your questions, strategies, and lessons learned to discuss with colleagues.</p>	<p>OER for Mathematics <i>Presenter:</i> Anne Gallagher, OSPI</p> <p>How do instructional materials for mathematics support effective instruction? We'll explore available open materials in math for all grade levels (including the new Open Up middle school OER by Illustrative Mathematics) and explore written reviews on the OER materials.</p>	<p>Technical Considerations for OER – Access, Storage, and Delivery <i>Presenter:</i> Dennis Small, OSPI</p> <p>Explore some of the technical considerations when using OER, particularly in digital formats. We'll discuss ensuring equity of access, storage needs, and delivery options such as Learning Management Systems. The "EdTech Materials Review Questions" document will be shared, a tool that schools may find helpful in thinking through technical considerations.</p>
1:50 – 2:40	<p>License to Share: Developing, Adapting, and Distributing OER <i>Presenter:</i> Barbara Soots, OSPI</p> <p>Learn about where to find openly licensed graphics when designing OER, best practices in providing proper attribution, and how to apply an open license and share your derivative work.</p>	<p>OER for English Language Arts <i>Presenter:</i> Molly Berger, OSPI</p> <p>Join us for a discussion of the use of OER in ELA classes. We'll explore current OER sources and how to find them, contrast online resources that are not OER, and overview the EQulP rubric for evaluating OER.</p>	<p>Deeper Dive into OER Implementation w/ District Leaders <i>Presenters:</i> Bethel School District team</p> <p>Learn how the implementation of an OER provided an opportunity for the organization to create a system of support that generates ongoing interaction between principals, district office leaders, and district support personnel. Learn tips and tricks to rapidly turn principals from building managers to confident leaders of learning.</p>

3:00 – 3:30

Next Steps and Post-Workshop Evaluation - <http://bit.ly/2GIX2uK>
