

Scholarship Competition for Washington Schools

Together with The Office of the Superintendent of Public Instruction (OSPI), CCI Learning Solutions is pleased to announce a scholarship competition for registered Microsoft Imagine Academy schools in Washington State offering the Microsoft Office Specialist (MOS) and/or Microsoft Technology Associate (MTA) certifications. The 15 schools with the highest percentage of eligible certifications per total registered students in Grades 9, 10, 11, and 12 will each receive a \$1,000 scholarship to be awarded to one eligible student of their choosing.

Certify Your Students, Staff and Faculty Today!

Official Competition Rules

CCI Learning Solutions Inc. will make available scholarships in the amount of \$1,000 each payable to fifteen (15) high schools in Washington State who have participated in the Microsoft Imagine Academy Program in the 2017-2018 school year and are offering the Microsoft Office Specialist (MOS) and/or the Microsoft Technology Associate (MTA) certifications to their students, staff and faculty. The total amount awarded will be \$15,000 payable in cash to be divided equally between the 15 high schools with the highest percentage of eligible certifications per population of students in Grades 9, 10, 11 and 12.

In the event of a tie between schools, the school with the student achieving the highest exam score in a single exam will be awarded the scholarship. If students at two or more schools have achieved the same deciding score, the school whose student achieved the highest exam score obtained in the shortest amount of time will prevail. Only a single exam result obtained by a single student at each school will be recognized.

All qualifying schools with students, staff and faculty who attained certifications between July 1, 2017 and June 30, 2018 will be eligible. There is no limit to the number of times that a candidate may sit an exam and candidates may be certified in as many applications as they choose.

Each scholarship may be distributed by the respective winning school at their discretion to one or more students. The recipient(s) must be a registered full-time student at the respective school and must be certified in at least one (1) Microsoft Office Specialist or one (1) Microsoft Technology Associate exam. Students that do not meet these criteria will not qualify.

The competition ends at 11:59.59pm on June 30, 2018 and the results will be announced on or before July 15, 2018. The scholarship funds will be delivered to the scholarship committee of the 15 winning schools. The results as announced by CCI will be considered final.

General Rules

Reporting and payment of all federal, state, local and other taxes are responsibility of each winner. All federal, state and local laws apply. A winning school may decline to accept a prize, in which case the school with the next highest percentage of eligible certifications will be selected in its place. CCI reserves the right to cancel the Competition, or modify the Competition Rules or disqualify any entrant if fraud, misconduct or technical failures destroy the integrity of the Competition as determined solely by CCI. Any attempt by any individual to deliberately undermine the legitimate operation of the Competition is a violation of criminal and/or civil laws and, should such attempt be made, CCI reserves the right to seek redress from such individual to the fullest extent of the law.

Winners agree to hold CCI and its respective directors, officers, employees, assigns, agents, independent contractors, affiliates and subsidiaries harmless against any and all claims, liability, demands, actions or causes of action, costs, expenses and attorneys' fees arising out of participation in the Competition and/or acceptance and use of any prize. Winners assume all liability for any injury, damage or loss caused or claimed to be caused by participation in or acceptance and use of any prize. CCI is not responsible for any typographical or other error in printing of any offer document, administration of this Competition or announcement of prizes, or for liability for damage to any computer system resulting from participation in accessing or downloading information in connection with this Competition. To obtain a list of the winning schools, please e-mail CCI at waschools@ccilearning.com after July 15, 2018.
